

Brean is pleased to announce **NEW**

Discounted Waterpark Entry

OPENING APRIL 2011*

Our brand new complex features a unisex changing village with heated floors and individual and family changing cubicles/ baby changers.

New 25m heated swimming pool with bubble lounger, a safe 1.2m constant depth and just for the kids water splash park with shooting water jets and water features all in a temperature controlled heated environment.

Plus our new outside interactive seaside water play area for under 12's featuring 3 small waterslides and tipping buckets of water galore. Opens from Whitsun until 4th September.

Splashing about in the pool with the kids is fantastic way to spend a holiday. The pool area is mainly a fun splash place so if you're after a quiet swim to enjoy a few lengths in peace look out for swim only lane sessions at certain times during the season.

Forgot your costume? Find these in our New Splash shop for all your swimming needs. Relax in our new Splash Café proudly serving Starbucks Coffee and snacks to quench your hunger after your swim.

Our existing indoor and outdoor complex opens from the end of May until 4th September – Zoom down one of three flumes, shoot our crazy river ride in an inflatable tube or just enjoy the sun on our terrace.

Under 12's will love our new water play area,

Dare you ride the turbo drop!

The pools are lifeguarded at all times, however to ensure a safe environment for all, under 8's and non swimmers must be accompanied by an adult in the pool at all times at a ratio of 1:2 persons and under 4's on a one to one basis. See our special family sessions during low season where our under 8's policy is relaxed.

Splash operates in either 2 or 3 hour sessions. Holiday Resort Unity guests receive discounted entry. Entry fees start from £1.99 a session during low season, to £3.99 per session during high season. All slides are included in the admission fee. Babies under 12 months free.

*Opens April 2011.

Subject to completion, we reserve the right to alter this date should buildings work over run, however a pool facility will be available from March 26th 2011.

Why not buy a weekly pass?
And receive one session a day, saving two admission fees over the week.
Secure pushchair storage locks are available for a small charge.
At certain times the pool may be open for part of the day only. Slides are operated on rotation.

Unisex disabled changing room available, the indoor pool is accessed via walk down steps.

Want to improve your swimming?
Why not join our October swim school break or why not book a private lesson with our qualified instructors during your stay.
