ONGOING SUPPORT

It's only natural that you would want your home to stay pristine throughout the year.

We offer a low-cost maintenance cover package, providing unlimited general maintenance calls outs for Guests. This also extends to Owners, free of charge, when you occupy the lodge.

Additional services are available for the winter months to keep your property clean, safe and secure. Our winter shutdown packages include options on soft furnishing mould prevention and a fortnightly exterior and interior inspection.

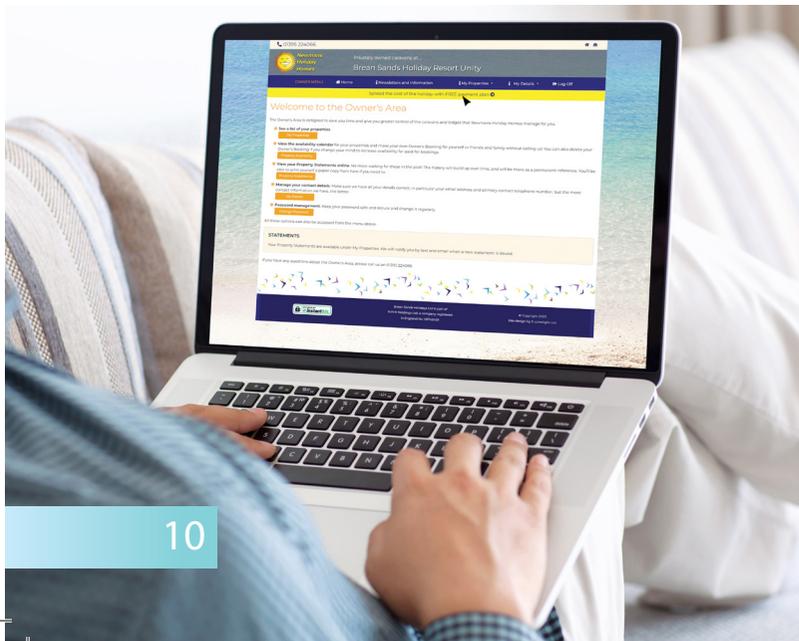

Prior to the new season starting we can also carry out an in-depth spring clean, carpet and upholstery shampoo, jet washing of the veranda and lodge exterior. Please contact us for further details.

OWNER PORTAL

No need to give notice of your bookings! Your 'Owner Portal' allows you to view how your lodge is letting, your letting account, book your own, your family or indeed your friends holidays so dates don't coincide with our guest bookings - all this in real-time.

The beauty of this system allows both Owners and Newmans to know instantly when and who has booked your lodge. So even if we are in the process of taking a booking over the phone, we can instantly see available dates.

WHAT TO DO NEXT

If you are interested in subletting with Newmans, simply contact one of our subletting managers. They will guide you through the whole process: they will help you complete the Sublet Agreement, advise you on the best inventory to have, arrange for photos to be taken and help you log into your owners' account.

If you have any questions on subletting, we will be more than happy to answer them.

PEACE OF MIND

To set your mind at rest - ask us about our FREE Income Protection plan and Maintenance Cover, two great plans that'll ensure you have worry-free subletting.

Whatever your enquiry, our experienced team is here to help. Call us on 01395 224066 or contact us for an information pack.

MEET US IN PERSON

By arranging a meeting with one of our specialist subletting managers either in-person or via an online call (Zoom or Teams) all your questions will be answered.

We'll discuss how we can adapt our subletting package to suite you - giving a tailor-made solution to your Holiday Home let.

We look forward to seeing you soon.
